PECB BEYOND RECOGNITION

PECB ISO 22301 Foundation

Accredited by ANAB

Become acquainted with the best practices of Business Continuity Management Systems (BCMS) based on ISO 22301

Why should you attend?

This training course is designed to help participants understand the fundamental concepts and principles of a business continuity management system (BCMS) based on ISO 22301. By attending this training course, participants will learn more about the structure and requirements of the standard including the BCMS policy, the top management's commitment, internal audit, management review, and continual improvement process.

After attending the training course, you can sit for the exam and, if you successfully pass it, you can apply for the "PECB Certificate Holder in ISO 22301 Foundation" credential. A PECB Foundation certificate shows that you have knowledge on the fundamental concepts, principles, methodologies, requirements, framework, and management approach used in business continuity.

Who should attend?

The ISO 22301 Foundation training course is intended for:

- Managers and consultants seeking knowledge about the basic concepts and principles of business continuity
- Professionals wishing to get acquainted with ISO 22301 requirements for a BCMS
- Individuals engaged in or responsible for business continuity activities in their organizations
- Individuals wishing to pursue a career in business continuity management

Learning objectives

By the end of this training course, the participants will be able to:

- Describe the business continuity management concepts and principles
- Explain the main ISO 22301 requirements for a business continuity management system
- Identify potential actions and approaches that organizations can use to achieve conformity to ISO 22301

Course agenda

DURATION: 2 DAYS

- **Day 1**: Introduction to the business continuity management system (BCMS) and ISO 22301
- **Day 2**: Business continuity management system (BCMS) and certificate exam

Prerequisites

- There are no prerequisites to participate in this training course.

Examination

DURATION: 1 HOUR

The exam fully meets the requirements of the PECB Examination and Certificate Programme. It covers the following competency domains:

- **Domain 1:** Fundamental principles and concepts of a business continuity management system
- **Domain 2:** ISO 22301 requirements for a business continuity management system (BCMS)

For specific information about exam type, languages available, and other details, please visit the List of PECB Exams and the Examination Rules and Policies.

Certificate requirements

Upon the successful completion of the exam, you can apply for the "PECB Certificate Holder in ISO 22301 Foundation" certificate. For more information, please refer to the Certification Rules and Policies.
