PECB BEYOND RECOGNITION

PECB Certified ISO 50001 Foundation

Become acquainted with the best practices of Energy Management Systems (EnMS) based on ISO 50001

Why should you attend?

ISO 50001 Foundation training enables you to learn the basic elements to implement and manage an Energy Management System (EnMS) as specified in ISO 50001. During this training course, you will be able to understand the different modules of an EnMS, including EnMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a "PECB Certified ISO 50001 Foundation" credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.

Who should attend?

- Individuals involved in Energy Management
- Individuals seeking to gain knowledge about the main processes of Energy Management Systems (EnMS)
- Individuals interested to pursue a career in Energy Management

Learning objectives

- Understand the elements and operations of an Energy Management System and its principal processes
- Acknowledge the correlation between ISO 50001 and other standards and regulatory frameworks
- Understand the approaches, methods and techniques used for the implementation and management of an EnMS

Course agenda

DURATION: 2 DAYS

- Day 1: Introduction to Energy Management System (EnMS) concepts as required by ISO 50001
- Day 2: Energy Management System requirements and Certification Exam

Prerequisites

- None

Examination

DURATION: 1 HOUR

The "PECB Certified ISO 50001 Foundation" exam fully meets the requirements of the PECB Examination and Certification Programme (ECP). The exam covers the following competency domains:

- Domain 1: Fundamental principles and concepts of an Energy Management System (EnMS)
- Domain 2: Energy Management System (EnMS)

For more information about exam details, please visit Examination Rules and Policies.

Certification

After successfully completing the exam, you can apply for the credential "PECB Certified ISO 50001 Foundation". For more information about ISO 50001 certifications and the PECB certification process, please refer to the Certification Rules and Policies.

General information
